**STEVE GORN** has performed Indian classical music and new American music on the bansuri bamboo flute and soprano saxophone in concerts and festivals throughout the world. A disciple of the late bansuri maestro, Sri Gour Goswami of Calcutta, and currently a student of Pandit Raghunath Seth of Mumbai, he has been praised by critics and leading Indian musicians as one of the few westerners recognized to have captured the subtlety and beauty of Indian music. He also has composed numerous works for theatre, dance and television and has recorded and performed with a wide range of artists.

Steve Gorn has also created a new idiom, a music that combines the essence of classical Indian tradition with a contemporary world music sensibility.
