And Executive Committee Members of the Indo-American Society (IAS)**

Invite you to a

## **“FREE EYE CHECKUP”**

By

**Bombay City Eye Institute & Research Centre**

**On Saturday, September 19, 2009 from 11:00 am to 2.00 pm  
At Bombay City Eye Institute & Research Centre,  
5 Babulnath Road, Victor Vila, Mumbai- 400 007. Tel no. 022 23671011**

### **About the Checkup.**

In the eye camp they examine patients free of charge and with best of quality. Patients undergo following tests for any eye camp.

1. Refraction by Auto Refractometer (Computer)
2. Subjective Refraction with a Trial lens frame and set & Eye Glass Prescription
3. Slit Lamp examination by an ophthalmologist.
4. Fundus examination by an ophthalmologist.
5. IOP checks of all those above 40 years of age.

All those who need a further cataract, retina (high myopic for instance), glaucoma, orbit & oculoplasty examination are advised accordingly.

### **About the Institution**

**Bombay City Eye Institute & Research Centre (BCEI)** recently celebrated its 15th Annual Day. BCEI is one of the few stand alone eye institutes in the country, who are providing all eye treatments under one roof, namely general ophthalmology, cataracts, glaucoma, vitreous & retina , paediatric ophthalmology & strabismus, orbit & oculoplasty, refractive surgery, cornea & ocular surface disorders, contact lens services, low vision aid services and eye bank services under one roof.

Over last 15 years they have conducted more then 663 community eye camps at various location and rural areas around Mumbai & other parts of Maharashtra, Gujarat as well with various corporate house like Reliance, Tata Power, L & T etc. Only through their community initiative they have examined more then 1, 37,085 patients & operated 23,037 cataract patients free of charge.
