“PSYCHOLOGICAL CRISIS IN GOLDEN ERA OF MIDDLE AGE”

By
Dr. Paresh Lakdawala
(MBBS, D.P.M, M.D, M.N.A.M.S)

On Friday, December 18, 2009 at 6.00 pm
Lincoln Auditorium, Indo-American Society,
5. D. Sukhadwala Marg, Next to New Excelsior Theatre, Fort, Mumbai 400 001.

Convener: Dr. Kulin Kothari,
Chairman Medical Committee, Indo-American Society

Topic

Middle age (40 TO 60 years) is golden time of one's life. However one may come across a lot of social, family responsibilities during this time. Women also undergo a lot of hormonal and internal changes during this time. Many individuals face midlife crisis and tend to develop psychological problems and disorders. This session will highlight you about midage crisis and also how to prevent, how to detect and how to treat such disorders.

About the Speaker:

Dr.Paresh Lakdawala has studied MBBS, D.P.M, M.D, and M.N.A.M.S. He is a practicing psychiatrist for more than 30 years. Earlier he was an assistant professor of psychiatrist at K.E.M. Hospital and G.S. Medical College. Currently he is attached to H.N. Hospital, Bhatia Hospital and Jain Clinic Hospital. He has also been a past president of Bombay Psychiatric Society. He has more than 10 papers to his credit. He enjoys interacting with the people from different fields.
